Post-condition Arabic UI remains readable and correctly aligned in RTL format

Test cases for teachers

Name	2. Save feedback
Design Date	20/04/2014
Preconditions	Authorized teacher is logged in Student details page is open for a valid student
Executed by:	Roshini Fernando

Execution date:	20/04/2026
------------------------	------------

Step	Action	Expected System Resoponse	Pass / Fail
1	Open a student's details page	Student profile and academic data are displayed	pass
2	Type feedback in the feedback field	Feedback text is accepted	pass
3	Click Save Feedback	System saves the feedback and shows a success message	pass
4	Reload or reopen the same student page	Previously saved feedback is still displayed	pass

Post-condition Student feedback is stored and linked to the selected student

Test cases for students

Name	3. Export report card PDF
Design Date	20/04/2014
Preconditions	Student is logged in
	Report card data exists for the logged-in student
Executed by:	Roshini Fernando
Execution date:	20/04/2026

Step	Action	Expected System Resoponse	Pass / Fail
1	Open the Report Card page	Report card preview is displayed	pass
2	Click Export PDF	Save or export action is triggered	pass
3	Choose a file name and save location	PDF file is generated successfully	pass
4	Open the exported PDF file	PDF opens and shows the student's report card	pass

Post-condition A readable report card PDF is saved to the selected location

Test cases for system/input

Name	4. Input validation reliability
Design Date	20/04/2014
Preconditions	Login and data entry forms are accessible
	Tester has valid and invalid sample inputs
Executed by:	Roshini Fernando
Execution date:	20/04/2026

Step	Action	Expected System Resoponse	Pass / Fail
1	Submit a form with a required field left blank	System blocks submission and shows a validation error	pass
2	Enter non-numeric or out-of-range marks	System rejects invalid marks and keeps the form for correction	pass
3	Enter invalid text where restrictions apply	System shows a clear warning or prevents bad input	pass
4	Correct the input and submit valid data	System accepts the corrected input successfully	pass

Post-condition Invalid inputs are prevented and valid inputs are accepted

Test cases for students

Name	5. Valid student login
Design Date	20/04/2014
Preconditions	Student account exists and is active
	Application and database connection are available
Executed by:	Roshini Fernando
Execution date:	20/04/2026

Step	Action	Expected System Resoponse	Pass / Fail
1	Open the app and choose Student login	Student login form is displayed	pass
2	Enter a valid student username	Username field accepts the input	pass
3	Enter the correct password	Password is accepted and remains masked	pass
4	Click Login	Student dashboard opens with student details	pass

Post-condition Student session is created and the dashboard is accessible

Test cases for system/UI

Name	6. Language selection clarity
Design Date	20/04/2014
Preconditions	Application starts at the landing or login page
	No prior language knowledge is assumed
Executed by:	Roshini Fernando

Execution date:	20/04/2026
------------------------	------------

Step	Action	Expected System Resoponse	Pass / Fail
1	View the first page of the application	Language selector is easy to find	pass
2	Review the available language options	Each language option is clearly labeled	pass
3	Select one language option	The selected language is visually identifiable	pass
4	Proceed to the next page	User can still tell which language is active	pass

Post-condition User can identify and choose the preferred language without confusion

Test cases for teachers

Name	7. Valid teacher login
Design Date	20/04/2014
Preconditions	Teacher account exists and is active
	Application and database connection are available
Executed by:	Roshini Fernando
Execution date:	20/04/2026

Step	Action	Expected System Resoponse	Pass / Fail
1	Open the app and choose Teacher login	Teacher login form is displayed	pass
2	Enter a valid teacher username	Username field accepts the input	pass
3	Enter the correct password	Password is accepted and remains masked	pass
4	Click Login	Teacher dashboard opens with teacher details	pass

Post-condition Teacher session is created and the dashboard is accessible

Test cases for system/UI

Name	8. Dynamic UI language switching
Design Date	20/04/2014
Preconditions	Application is open
	Language options are available on the current page
Executed by:	Roshini Fernando
Execution date:	20/04/2026

Step	Action	Expected System Resoponse	Pass / Fail
1	Open the language selector	Available language options are visible	pass
2	Select Sinhala or Arabic	Visible labels and buttons update to the selected language	pass
3	Navigate to another page	The selected language remains applied on the new page	pass
4	Switch back to English	English UI text is restored without restarting the application	pass

Post-condition The selected language remains applied across the UI

Test cases for students

Name	9. Student finds grades and report card
Design Date	20/04/2014
Preconditions	Student is logged in
	Marks and report card data exist for the student
Executed by:	Roshini Fernando
Execution date:	20/04/2026

Step	Action	Expected System Resoponse	Pass / Fail
1	Open the Student Dashboard	Dashboard loads successfully	pass
2	Open My Grades	Subject marks, totals, or grades are displayed	pass
3	Review the shown academic results	Displayed grades match the student's records	pass
4	Open Report Card	Report card page opens and shows the same	pass

Post-condition Student can access grades and report card information successfully

Test cases for teachers

Name	10. Save subject marks
Design Date	20/04/2014
Preconditions	Teacher is logged in
	Mark sheet page is open and student records exist
Executed by:	Roshini Fernando

Execution date:	20/04/2026
-----------------	------------

Step	Action	Expected System Resoponse	Pass / Fail
1	Open the Mark Sheet page	Student mark entry table is displayed	pass
2	Enter valid assignment, project, and final exam r	Marks are accepted in editable fields	pass
3	Click Save	System saves the marks and shows a success	pass
4	Reload or reopen the same student record	Saved marks, total, and grade remain visible	pass
